ENROLLMENT FEE

A non-refundable enrolment fee of IDR 4,000,000 is payable upon submission of an application form to the school. This fee is to cover the administrative cost of each application.

RE ENROLLMENT FEE

A non-refundable/non-transferable continuing enrolment deposit of IDR 7,400,000 must be transferred to school before 1st of June 2017 to hold a place for your child for the next academic year. This re-enrolment fee will be deducted from the school fee payment.

DEVELOPMENT FEE

This non-refundable fee applies to every child enrolled for 2017/2018.

PAYMENT TUITION FEE

Parents are responsible for the payment of the applicable school fees before their child can attend school classes. All tuition fees are invoiced in IDR and are payable in IDR unless the payment originates outside of Indonesia, in which case a USD bank transfer at the prevailing bank exchange rate is acceptable.

TUITION FEES AND PAYMENT DATES

Tuition fees are payable in advance. Prior to the start of Term 1 parents can choose one of two payment plans: a single annual payment; or payment by term (two installments). The annual tuition fee payment is discounted by around 20% compared to the termly payment plan. To secure this discount the annual tuition fee must be paid in full before 7th of August 2017, after which the discount will be removed and term fees will be applied.

Fees paid per term are due in advance not later than:

7 August 2017 (Term 1)

15 December 2017 (Term 2)

Where the tuition fees remain unpaid after the published due date, the school will impose a 1.5% late payment penalty per month to the outstanding balance by the 7th each month.

In the event of non-payment of tuition fees, the school has the right to refuse to accept the student into the school and reserves the right to withhold the development fee.

LATE ENROLLMENT

If a child is enrolled into the school after the start of Term 1 the tuition fees for the remainder of the school year must be paid in advance according to the table below:

Child's start date	Applicable Tuition Fee
1 st half of Term 1	Annual Fee
2 nd half of Term 1	90% of annual fee
Term 2	Full Term 2 fee

SIBLING DISCOUNT

A sibling discount may be offered where three or more children from the same family attend school, with 5% sibling discount for 3rd child, 10% for 4th and more. The percentage discount is available to younger siblings' tuition fees only.

REFUND

Before the start of school year (before 14 August 2017):

In the event a family decides to withdraw from NIS after the payment of the full annual invoice or the 1 (one) term tuition fee plus full development fee, 60% of the tuition fee paid will be refunded.

After the start of the school year (on after 14 August 2017):

In the event a family relocates overseas or out of the Jakarta area after the start of the school year, a withdrawal form and required documents should be handed in with a minimum of one (1) months' notice. For these families a partial refund applies; the full application fee (if applicable), a one (1) term tuition fee plus full development fee are strictly non-refundable. A school year at NIS consists of 2 terms.

In any other situation (e.g. enrolling at another school in Jakarta during the school year) no refund of any kind will be given. Claims for refunds made later than one (1) month after leaving NIS will not be considered.
