

Netherlands Inter-Community School

Special Leave Application Form

Please read carefully

NIS strictly adheres to minimum school hours per academic year but we understand that family emergencies and compelling circumstances may occur at any time. Should this occur outside school holidays parents are required to fill out the following form.

Please be aware that learning targets for each class are set according to minimum school hours. An extended leave from school may impede the child's learning process and in certain cases may be disruptive to the class as a whole.

Thank you for your understanding.

Name of parent(s) : _____

Date leave application : _____

exemption request from school attendance for her / his / their child(ren) :
